

# The Assurance You Need, The Partner You Deserve

Your business is built on a foundation of trust. Calvetti Ferguson provides the insights and clarity you need to strengthen that foundation.

At Calvetti Ferguson, we see assurance services as more than just a compliance requirement. We believe they are a powerful tool for strategic decision-making. Our team goes beyond the traditional audit, giving you a clear and in-depth understanding of your financial health. This deeper insight empowers you to make informed decisions with confidence and successfully navigate the future of your business.

**Discover the benefits of partnering with Calvetti Ferguson's assurance team:**

## A Partnership Approach

We partner with your team to understand your company's unique challenges and business goals. Our team tailors the audit approach to use your time efficiently, provide clear insights, and support your ability to focus on growing the business.

## Strategic Insight Beyond Compliance

Our approach to assurance goes beyond simple compliance. It builds confidence in your financial position and provides insight to support strategic business decisions. Our team helps you see the full picture of your business.

## Specialized Expertise

We bring a practical, real-world perspective, combining technical knowledge with business insight. Our team excels in areas like employee benefit plan audits, where we rank among the top 2% of firms in the United States.

## Proactive and High-Quality Service

Our team identifies potential issues before they become critical, providing timely and effective solutions. Committed to quality, we deliver work that meets the highest professional standards, giving your business confidence and clarity.

# Our Comprehensive Assurance Services

## Financial Statement Audits

Providing independent and objective examinations of your financial statements to ensure accuracy and compliance.

## Single Audits

Compliance-specific audits for non-profit organizations that receive federal funding, ensuring full adherence to Uniform Guidance requirements.

## Yellow Book Audits

Audits for governmental and federally funded non-profit organizations to ensure compliance with specialized standards.

## Employee Benefit Plan Audits

Specialized audits to help you meet Department of Labor and IRS requirements for your employee benefit plans.

## Reviews and Compilations

Flexible engagements where we review or compile your financial information, giving you reliable insights for informed decision-making.

## Fund Audits

Audits for private equity, venture, hedge, and real estate funds with precise reporting and support for complex valuations and compliance.

## Deep Industry Expertise

Calvetti Ferguson delivers the robust experience and deep technical expertise traditionally associated with the Big Four accounting firms, but through a client-centric model that ensures tailored financial and consulting solutions specifically designed to conquer your unique industry challenges. We bypass the complexity and overhead of global giants, offering agile, high-touch service while maintaining the highest levels of professional rigor and knowledge.
